ITEM NO.:	21006
DIMENSION	L 55 mm x B 7 mm x H 64 mm
WEIGHT NET	0,02 kg
CABLE OUTLET	Ø 25 mm
MATERIAL	Special plastic
EAN-CODE	9120045478037

ADVANTAGES

- Accessories for CB 260 Cable Box
- Allows controlled unwinding of single wires, wires or cables
- Cables are rolled smoothly without tangling
- Prevents the roller CB 260 from falling out
- With folding function for roll replacement

DESCRIPTION

The CB 260 cable guide clip is an accessory for the CB 260 Cable Box and is attached to it. This clip enables single wires, wires or cables to be unrolled in a controlled manner through a Ø 26 mm opening without creating a tangled mess of cables. The cable guide clip is fixed to the right-hand side of the CB 260 Cable Box and thus determines the unwinding direction. This ensures that the cables can be unwound evenly and without tangling. This saves time and ensures a smooth workflow. The folding function allows the roll to be changed effortlessly without having to remove the cable guide clip.

Scope of supply: 1 x Cable guide clip CB 260
